

*I cannot praise the staff enough.  
They care for my family member  
with kindness and dignity.  
They are always smiling and cheerful.  
It truly is a 'home'.*

# THE CHAPEL HOUSE

AS FEATURED ON BBC NORTH WEST TONIGHT

## *Exceptional standards of care*

Situated in the heart of Puddington, Cheshire, with views across to the Welsh hills, The Chapel House offers the highest levels of care and comfort in a safe, secure and friendly environment.

We pride ourselves on our specialist dementia care and the needs and aspirations of those living with dementia symptoms.

Our hand-picked team is highly experienced and able to provide a personalised service to every resident.

This knowledge has been developed through extensive internal and external training programs and our work with leading dementia specialists..

## *We offer*

- Individualised care tailored to needs and preferences
- Kind, compassionate and highly motivated staff
- Warm and welcoming environment
- Accommodation for 27 people
- 24-hour individualised nursing care
- Innovative approaches to enhance people's quality of life
- Vibrant community
- Residents encouraged to maintain their interests
- Attractive enclosed gardens and countryside setting
- CQC 'Outstanding' rating

*"We are passionate about caring for people living with the symptoms of dementia and their families."*
